Fly Your Flag

Liz, a member of the Annandale Chapter of the Daughters of the American Revolution, an organization whose mission is to promote patriotism, preserve American history, and secure America's future through better education for children.

The American flag is a symbol of patriotism. The families in our Breakers community proudly fly the “stars and stripes” along Breakers Lane to express their support for America and their fellow countrymen.

The Annandale Chapter of DAR is collecting worn flags that will be officially retired through a formal, respectful ceremony. The first flag to be donated will be the large flag that has flown over the Breakers at the end of the lane during the past 2 years.

Please drop off your worn flags in the lidded collection bin in front of the Club House. An official date for the flag retirement ceremony has not yet been set. Liz will keep residents informed when the date is chosen.

Getting to Know You.... Roy and Linda White #82

Hello, we are Roy and Barbara White; #82 from Philadelphia, MS. We purchased our condo in August of 2021 during the COVID Pandemic. With no normalcy during that time we were looking for some means of enjoyment. We started looking for somewhere close to our home that we could spend time and enjoy living again. We wanted it close enough we could have a short drive and be back at home. Both of us were born and raised in Neshoba County. Roy has been a contractor and developer for 40 years in Philadelphia. He is now semi-retired. Still busy as ever, he manages 6 Laundromats of which he owns five. Barbara worked at Mississippi Vocational Rehab Services for 25 years. She is now retired and enjoying it.

We have two sons both living in Philadelphia. Our first son William graduated from Mississippi State. After graduation he opened a real estate and development office in Philadelphia. Currently he is building houses in the Jackson area. He and his wife, Leigh Ann, have 2 children, Walker and Annie Kate. Our second son Wade graduated from Millsap College and Ole Miss Law School. After his graduation he opened his law firm in Philadelphia. He and his wife, Leigh Allyn, have 2 children, Audrey and Luke. Our grandchildren are out pride and joy.

We wanted to enjoy our new place but also wanted to give our children and grandchildren a place to visit and enjoy. The grandchildren have given us a list of water “toys” they want us to buy. Some of them we may have to go back to work to purchase (: So far we have enjoyed the peace and the beauty of our surroundings. We look forward to spending more time at the Breakers and soaking up the good life.
